Dear Nationals

I am honored to introduce myself as the Minister of Education for the Indigenous Government of ARNA. My unique combination of gifts, talents, and extensive experience in education and community leadership has uniquely equipped me for this role.

Based on my Birth/Sun Card, the Queen of Clubs, I possess a gift of intuition and guidance from the Creator. My assertiveness in thought and speech, combined with my motivation to learn and teach, positions me as an effective conduit for insightful and impactful education. Guided by my Character Card, the Ace of Spades, I leverage my talents for teaching and guiding others to inspire self-work and initiate new projects. My drive for mental ascension and philosophical pursuits makes me well-suited for this role.

Our Ministry of Education is dedicated to developing and facilitating a comprehensive 36-week curriculum for students ages 3-17 through our Aboriginal University-Academy of Universal Science for Indigenous Peoples. This online Indigenous Curriculum serves all Nationals of ARNA, providing an inclusive and accessible educational platform. SOS members can also become certified instructors, enhancing our educational outreach.

We uphold stringent educational standards, ensuring children receive private schooling or attend charter/public schools with parental agreement. Our curriculum incorporates our Indigenous religion, cultural rites, history, and emphasizes understanding children's birth charts for tailored education. We prioritize preparing children for scholarships or trades, ensuring they learn at least two trades by age 16 and become fluent in an additional major language.

I am committed to ensuring our educational programs reflect our values and culture, fostering a learning environment that nurtures the potential of every student. Through innovative and inclusive education, I strive to uphold our Indigenous heritage while preparing our community for a prosperous future. Thank you for your time and consideration.

Sincerely,

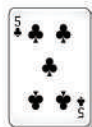

Yahxiyahu Xi Amaru | Minister of Education | Indigenous Government of ARNA
